Ice Cube Machines

Ice for every need.

Today, ice plays various roles. A style element for cocktail drinks. A cool bedding for delicacies. A preserver of life saving drugs. The list is as long as it is diverse. And to meet your specific usage requirements of ice in the best possible way, you can always rely on the expert. Blue Star.

Why Blue Star?

Blue Star, India's leading airconditioning and refrigeration company, extends its category to bring you sophisticated ice-making machines that freeze water and make ice effectively. These machines are hygienic, energy efficient, durable and easy to maintain. Blue Star uses its expertise and domain knowledge to give you the products as per your needs and requirements. And with its widespread service network you can be sure of long life and optimum performance from your machine.

Advantages of Blue Star-Ice Machines

Blue Star-Ice Machines offer unmatched features that ensure longevity, high levels of hygiene, low cost of ownership and ease of use and maintenance.

Perfectly shaped ice cubes

Advanced ice-forming process control ensures perfect shapes, under any environmental condition.

Water content control

System controls ideal ice and water ratio to suit the ice type.

Food grade stainless steel

Stainless steel body assures long life and durability.

Compact design

Compact designs ensure an easy fit into the smallest of spaces.

Sprayers

Equipped with sprayers to limit lime deposit, reducing the need for frequent cleaning.

Low noise

Designed for noiseless operation.
