

PRESS RELEASE

Blue Star wins another prestigious order valued at Rs 149 crores for Electrical & Mechanical works for Mumbai Metro Line III from Dogus-Soma JV

Air conditioning and commercial refrigeration major, Blue Star Limited, has won a prestigious Electrical & Mechanical works (E&M) order valued at Rs 149 crores for 'Mumbai Metro Line III, Package UGC-03' for five underground stations—Mumbai Central, Mahalaxmi, Science Museum, Acharya Atre Chowk, and Worli, from Dogus-Soma JV.

The scope of this order comprises design verification, supply, installation, testing and commissioning of E&M works including lighting control and protection systems, advanced fire detection and fire-fighting systems, plumbing systems, and SCADA, amongst others, for the above stated five underground stations, tunnels, cross overs, cross passages and auxillary buildings of Mumbai Metro Line III.

Dogus-Soma JV was awarded the 'Mumbai Metro Line III, Package-UGC-03' project by Mumbai Metro Rail Corporation (MMRCL).

B Thiagarajan, Managing Director, Blue Star Limited adds, "This is the second significant order won by Blue Star for Mumbai Metro. We are currently executing the prestigious Mumbai Metro project for Air Conditioning and Tunnel Ventilation System of nine underground stations and associated tunnels on Line 3 corridor between Mumbai Central and Bandra. I am proud that with this order we are steadily advancing and marking our project management forte for the Metro Rail sector. Besides, with the growing population in Mumbai, metro connectivity is vital for overall infrastructure development of the city and I am happy that we are one of the companies playing a key role in this mission."

Place: Mumbai

Date: August 27, 2020.
