

BLUE STAR

Refreshing taste of purity
in every sip.

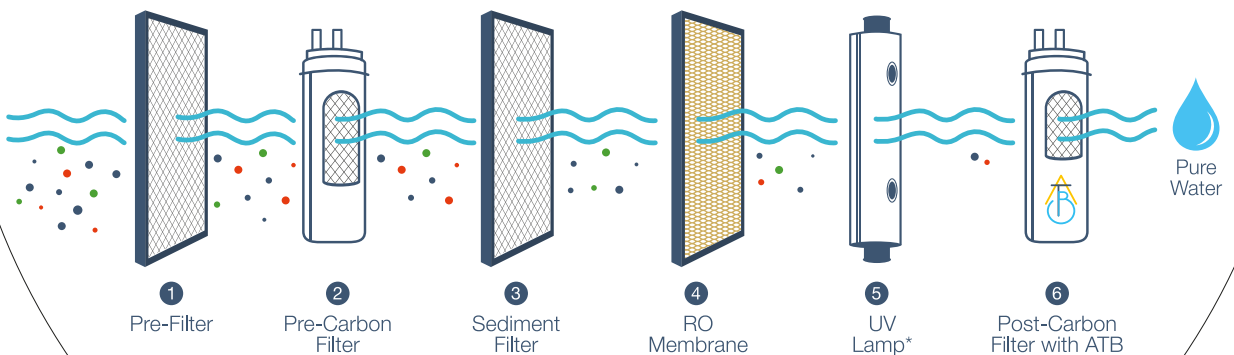

Majesto

RO / RO+UV Water Purifier
with Aqua Taste Booster

Majesto from Blue Star

Blue Star, India's leading air conditioning and commercial refrigeration company brings you Majesto - a water purifier that makes pure water taste good with its Aqua Taste Booster function. Having quenched the thirst of billions with its range of water coolers and dispensers for over seven decades, Blue Star now introduces a water purifier for your home that combines advanced technologies - RO+UV* - to give you water at its best. Packed with features such as a large 8 litre storage tank, tank-full indicator and options for wall mount or countertop installation, Majesto will be a great addition to your modern kitchen.
